(1944)

From: STOCKHOLM

To: MOSCOW

No.: 274, 275, 277, 281, 284

25th, 26th January 1944

[5-part message complete]

[Part I] In reply to No. 128[i].

BURGEN's[ii] people

RUNAR[iii] is maintaining contact with FRITs[iv]. Meetings take place only in the open air, each [1 group unrecovered] in a different place in the town or in the suburbs, at various times from dusk onwards but not later than 2400 hours. The interval between meetings is from 10 to 15 days and the duration is from 5 to 20 minutes - walking up and down all the time. If a meeting

goes on longer e.g. for as much as 20 to 30 minutes, the practice is to go into the entrance-hall of a building: there conversations are held or material is handed over, if it is particularly bulky. The location does not arouse any suspicion as the Swedes very often hold lengthy conversations in entrance-halls. The hall is entered by the two together; after the conversation and the handing over of the material, they leave separately. We have a post box for FRITs: emergency meetings [4 groups unrecovered] meeting. [D% We have] [1 group unrecovered] post box for contact

[Part II]

OSKAR [1 group unrecovered] was in contact with ULAV[viii]. He previously rejected BAL'TAZAR[ix] and ANKER[x]. After ROLAND's[xi] detention at the frontier, Erik MARTUS[xii] is not yet [C% threatened] because of the situation [C% in the past]. [1 group unrecovered] of OSKAR transfer[xiii] to the prison at FALUN[xiv]. [9 groups unrecovered] out of the camp, as the Swedish Police handed over his case for further investigation to the Norwegian Police here.

RAUL'[xv] is in contact with ZHAN[xvi]. Meetings are chiefly by day outside the town: RAUL' goes there by car and leaves it somewhere out of sight at a considerable distance from the meeting place. The interval between meetings is about one month, as he might draw attention to himself by driving out frequently. For the facts about him see [Name BV's][xvii] letter to you dated 17th January 1943, in which even then the question was raised of the desirability of finding out from the Comintern archives about ZHAN's connection with DIMAU[xviii] in FRANCE; but as yet no answer has been received. RAUL' [B% was put[VYVEDEN]] on to PETRUS[xix] by ZHAN [.] [xx] We have a post box for PETRUS; two meetings [D% a month] take place. The arrangements for the meetings are similar to those described above for FRITs. PETRUS knows RAUL's office telephone number. You were informed of this by telegraph in No. 28[xxi]. Telephone No. 113240[xxii]. RAUL' met 37

BRITA[xxiii] three times in 1940 and twice in [1 group unrecovered][xxiv]. During the period of the meetings he fully [C% recruited] her, made arrangements for a meeting with our man in BERLIN and for an agreed code should it be possible to send information with people leaving BERLIN for STOCKHOLM. Since she left, three letters have been received via the German émigré [xxv] - I have informed you of this - who knows [Part III] that they are supposedly in love with each other. In the letters she said what her job was. Recently she has been appearing on tour in SPAIN. [Name BV] start...[xiii] personal contact with LYUUVIG[xxvi] and ANTONI[xxvii] by becoming acquainted officially[xxviii] but, when he obtained their consent to work for us, [Name BV] [C% went over to] illegal meetings which took place during [B% the rift] between RUNAR and FRITS. RAUL' went to OSKAR II[xxix]. The latter was visited twice at his home where a meeting place in the open air was arranged. During the second visit he was handed a letter which pointed out that his behaviour was unsatisfactory, but in spite of this he again did not come to a meeting. At present surveillance of OSKAR II is being arranged. If we meet him we shall speak to him severely.

[Part IV] [Name BK's][xxx] people

KRYUGER[xxxi] is in contact with SVEN[xxxi] [6 groups unrecovered].
